Status:	New	Start date:	01/18/2021
Priority:	4-Medium	Due date:	
Assignee:	Lalitha Chaitanya A	Severity:	
Application:			
Description			
1. open trader/buyer			
2. place the trade			
3. open seller transactions			
4. click on reject			
1. open trader/buyer			
2. place the trade			
3. open seller transactions and accept			
4. open buyer do remaining payment			
5. open seller and ship the item			
6. open buyer accept the quality			
7. open seller click on completed transactions			
Expected result			
rejected on should not display for completed transactions			
Actual result			
"rejected on" displaying for all even though completed transactions are there in "completed transactions" tab
