Trader - Bug #1113

Youkta App: The product count is increasing automatically under the cart while ordering the product.

01/30/2021 10:59 AM - Pragati Patil

Status:	Closed	**Start date:**	01/30/2021
Priority:	4-Medium	**Due date:**	
Assignee:	Harsh Bhalodiya		
Application:		**Severity:**	2-High

Description

Steps to re produce:-
1-Open youkta app (don't log in stay with default Gmail)
2-Add product and go to cart
3-Click on the check out option
4-Login your credential
5-cart product count is increasing automatically

Expected result:
The product should not increase added product should display

Actual result:
The product count is increasing automatically under the cart while ordering the product.
