Trader - Bug #1148

Youkta app:In my basket delete an item, it is deleted again click on my basket same item displaying

02/02/2021 03:51 PM - Noor Zahara Errum

Status:	New	**Start date:**	02/02/2021
Priority:	4-Medium	**Due date:**	
Assignee:	Harsh Bhalodiya		
Application:		**Severity:**	

Description

1. Open youkta app
2. add to basket an item
3. click on my basket
4. delete the crop
5. click on back button
6. click on my basket

Expected result
deleted item should not be there

Actual result
deleted item still displaying
