Description

1. Launch youkta app

Actual result
flowers category UI is not good
leafy vegetables, root vegetables and vegetables images are same
Few crop images have background and few crop images without background

1. Launch youkta app
2. add few crops to cart
3. click on checkout

Expected result
crop images blink and position of crops fluctuate
crop images blink while adding to cart, when change one seller to another seller, when increase quantity in cart and my basket, when click on heart icon
