Trader - Bug #1481

youkta app:address is not coming/saving after click on save button of edit profile(name, email)

05/24/2021 06:33 AM - Smita Pujar

Status:	New	**Start date:**	05/24/2021
Priority:	4-Medium	**Due date:**	
Assignee:	Harsh Bhalodiya		
Application:		**Severity:**	

Description

1.go to youkta app
2.click on checkout add address
3.click on home page
4.click on profile
5.clic on profile and click on save
6.go to again checkout button

Expected result:
address should display in checkout and profile saved address page

Actual result:
Address not displaying
