Assignee:	Hardi B	Spent time:	0.00 hour
Application:		Severity:	2-High
Description Steps to reproduce: 1-Open agritek app 2-Click on cultivator 3-fill all the data then search the land number under farm boundaries (9494769268 for this number 6 lands are there) 4-submit one multi-crop. (complete both crops) 5-again click on the cultivator submit one more new crop 6-Search the same number under farm boundaries still 6 lands are displaying Expected result: when searching the farmer mobile number should display those land is not registered, we should not able to register the same land for multiple crops. Actual result: Able to submit the in same land multiple crops.
