Trader - Bug #1591

youkta app: click on proceed select payment type click on close icon, payment failed display, item will be there in cart and failed payments also

06/08/2021 11:15 AM - Noor Zahara Errum

Status:	New		Start date:	06/08/2021
Priority:	4-Medium		Due date:	
Assignee:	Harsh Bhalodiya			
Application:			Severity:	

Description

1. open youkta app
2. add to cart
2. click on checkout
3. add address
4. click on confirm and pay
5. select payment type
6. click on close icon

Expected result
item should removed from cart

Actual result
item will be there in cart
