Trader - Bug #1668

youkta app: crop images missing in inprogress orders after placing the order

06/28/2021 11:25 AM - Noor Zahara Errum

Status:	New	**Start date:**	06/28/2021
Priority:	4-Medium	**Due date:**	
Assignee:	Harsh Bhalodiya		
Application:		**Severity:**	

Description

1. open youkta app
2. add to cart mango
3. click on proceed
4. click on confirm and pay
5. click on orders

Expected result
crop image and crop name should display

Actual result
crop images missing in inprogress orders after placing the order
