

AP Agritek - Bug #1718

Agritek Web: Getting "This farmer id is not registered." popup after searching the existing farmer under verify farmer.

08/28/2021 03:32 PM - Pragati Patil

Status:	New	Start date:	08/28/2021
Priority:	4-Medium	Due date:	
Assignee:		Spent time:	0.00 hour
Application:		Severity:	
Description Steps to reproduce: 1-Open agritek web 2-Click on verify farmer. 3-Search the submitted verify farmer number. 4-"This farmer id is not registered." popup is displaying. Expected result: Should display the search farmer data. Actual result: Getting "This farmer id is not registered." popup after searching the existing farmer under verify farmer.
