Status:	New		Start date:	01/18/2022
Priority:	4-Medium		Due date:	
Assignee:	Test Developer			
Application:			Severity:	

Description

Steps to reproduce:
1-Open agritek web banker with bankeragritek@gmail.com,Abcd@1234
2-Click on the dashboard
3-Request count is displaying 10
4-Click on the request from farmer data is not there

Actual result:
The dashboard count is displaying 10.

Expected result:
Dashboard request count should display according to the request from farmer count.
