

Agritek - Bug #359

Cluster manager: Map direction is not displaying correctly under geotracking

10/03/2020 03:06 PM - Pragati Patil

Status:	Re-open	Start date:	10/03/2020
Priority:	3-High	Due date:	
Assignee:	Vignesh A	Severity:	2-High
Application:			
Description			
Steps to reproduce: 1-Open Cluster manager 2-Click on LbA 3-Select LBA click on geo-tracking 4- Correct direction is not displaying under the map			
Expected result: Should display all the visited places under the map on proper tracking order			
Actual result: Map direction is not displaying correctly under geotracking
