

Agritek - Bug #84

Agritek App(BT): Offline: Crop submitted from cultivation default going to incomplete

08/28/2020 10:19 AM - Dwarakanatha Reddy

Status:	Rejected	Start date:	08/28/2020
Priority:	3-High	Due date:	
Assignee:	Hardi B		
Application:	BT	Severity:	3-Medium
Description Step to reproduce: 1. Login to Agritek app with Field User 2. Turn off wifi/mobile data 3. click on refresh 4. Navigate to Cultivation and submit crop with valid data Expected Result: Submitted crop should move to contract approval. Actual Result: Submitted crop does moved to incomplete farm contract
